

Keats

Class

Welcome to Keats Class! We are a semi-formal

class that work and play as hard as we can. We

are learning to be as independent as possible

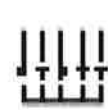

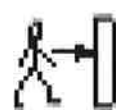

through all our activities and we see everything

as an opportunity to learn. Some of our pupils

go out to college and Adventure Service, some of

us are working towards AQA units and all us

try our best in everything we do.

 This term we are exploring Time Travel and have already

 gone back in time to see Michelangelo's Italy and have

 practiced painting the chapel ceiling as well as learning

 important words related to text. We are also running

 our own enterprise scheme where we have been developing

 our own cafe thinking about healthy foods that we can sell

 to our peers.

 Well being is important to Keats Class and we are learning

 how to relax and why it is good for you by taking part

 in an AQA unit award. Our teachers are super proud of
