How we will ensure Improvement are Sustainable?

- Ongoing and improved access to a range of facilities and resources
- Continued promotion of featured activities and sports
- Improved staff confidence leading to improved delivery of PE and sports activities
- Specialist providers work alongside school staff to upskill PE delivery

Monitoring by senior leaders to ensure sustainability

*Based on previous allocations the school had anticipated approx. £8,100 but it was confirmed that nationally the premium was to be increased and the school was notified of the allocation at the end of October 2017. Therefore additional information will be added when further decisions are made on the action and impact of the use of the unanticipated increase in the premium.

Summary of impact:

- Pupils have had the opportunity to engage in more competitive activities
- Staff are trained to support pupils with physical movement
- Outdoor play equipment is effective in encouraging pupils to play together and to develop physical fitness
- The deployment of a sports coach has ensured quality provision. Teaching Assistants have been observing as part of their professional development
